Bayer HealthCare LLC.

Alka-Seltzer Plus Maximum Strength Cough, Mucus & Congestion Day and Night Liquigels UI 1614294 and 1613941 24 count

Drug Facts

Product name

Do not take these products at the same time.

Alka-Seltzer Plus® Maximum Strength Cough, Mucus & Congestion Day PowerMax® Gels

Active ingredients and purpose

Active ingredients (in each capsule) Purposes

Acetaminophen 325 mg……Pain reliever/fever reducer

Dextromethorphan hydrobromide 10 mg……Cough suppressant

Guaifenesin 200 mg……Expectorant

Phenylephrine hydrochloride 5 mg……Nasal decongestant

Purpose

Uses

Uses

· helps loosen phlegm (mucus) and thin bronchial secretions to rid the bronchial passageways of bothersome mucus and make coughs more productive

· temporarily relieves these symptoms due to a cold or flu:

· nasal congestion · sinus congestion and pressure

· minor aches and pains · headache

· cough · sore throat

· temporarily reduces fever

Warnings

Liver warning: This product contains acetaminophen. Severe liver damage may occur

if you take

· more than 4,000 mg of acetaminophen in 24 hours

· with other drugs containing acetaminophen

· 3 or more alcoholic drinks every day while using this product

Allergy alert: Acetaminophen may cause severe skin or severe allergic reactions. Symptoms may include:

· skin reddening · blisters · rash · hives

· facial swelling · asthma (wheezing) · shock

If a skin or general allergic reaction occurs, stop use and seek medical help right away.

Sore throat warning: If sore throat is severe, persists for more than 2 days, is accompanied or followed by fever, headache, rash, nausea, or vomiting, consult a doctor promptly.

Do not use

Do not use

● with any other drug containing acetaminophen (prescription or nonprescription). If you are not sure whether a drug contains acetaminophen, ask a doctor or pharmacist.

● if you are now taking a prescription monoamine oxidase inhibitor (MAOI) (certain drugs for depression, psychiatric, or emotional conditions, or Parkinson's disease), or for 2 weeks after stopping the MAOI drug. If you do not know if your prescription drug contains an MAOI, ask a doctor or pharmacist before taking this product.

● if you have ever had an allergic reaction to this product or any of its ingredients

● in children under 12 years of age

Ask a doctor before use if you have

Ask a doctor before use if you have

● liver disease ● heart disease ● high blood pressure

● thyroid disease ● diabetes

● difficulty in urination due to enlargement of the prostate gland

● persistent or chronic cough such as occurs with smoking, asthma, chronic bronchitis or emphysema

● cough with excessive phlegm (mucus)

Ask a doctor or pharmacist before use if you are

Ask a doctor or pharmacist before use if you are taking the blood thinning drug warfarin

When using this product

When using this productdo not exceed recommended dosage

Stop use and ask a doctor if

Stop use and ask a doctor if

· pain, cough, or nasal congestion gets worse or lasts more than 7 days

· fever gets worse or lasts more than 3 days

· redness or swelling is present

· new symptoms occur

· cough comes back or occurs with fever, rash or headache that lasts.

These could be signs of a serious condition.

· nervousness, dizziness, or sleeplessness occurs

If pregnant or breast-feeding

If pregnant or breast-feeding, ask a health professional before use.
